I would like to request that we conclude an agreement/ an annex to an agreement for access and transmission of electric power through the electric power distribution network of SE “National Railway Infrastructure Company”.

Please find attached the following documents:

1. An explicitly notarized power of attorney in case the application is submitted by an authorized person;
2. Annex 1 – list of all sites – electric locomotives and railcars entered in the National Register of the RAEA and stationary sites – on a paper medium;
3. Annex 1 – in an electronic format (.xls);
4. Document of ownership of the sites or a document certifying the right to use /lease contract/;
5. Certificate of contract with a supplier of electricity and coordinator of a balancing group.

I DECLARE THAT:

1. I give my consent to the licensee SE NRIC to collect, store and process the personal data provided by me (as controllers of personal data within the meaning of the Personal Data Protection Act) in or on the occasion of the licensed activity or services requested by me;
2. The data provided by me, reflected in this application and its annexes, are reliable and I undertake, in case of change of circumstances, leading to change of this data, to inform in writing about the new data within 3 (three) days as of the change;
3. I am familiar with the rules and contracts regulating the operation of the electricity market.
4. **I am aware that if I do not attach any of the documents under items 1 – 5, my application will not be considered.**
